

Sterling House Referral Centre

For Specialist Service in Dentistry

The Centre is renowned for its specialist services and its commitment to the National Health Service.

Our unique services include:

- Oral surgery under sedation
- Oral surgery under Local Anaesthesia
- Conservative dentistry under Intravenous Sedation
- Hygienist and Oral Health

Patient Focused Services

The Centre provides patient focused dental services via the local referring practitioners.

The Centre promotes an educational programme with seminars relevant to clinical governance and quality care in general practice. We also wish to encourage regular contact between the clinical working at the Centre and our colleagues in general practice.

We are committed to SMILE

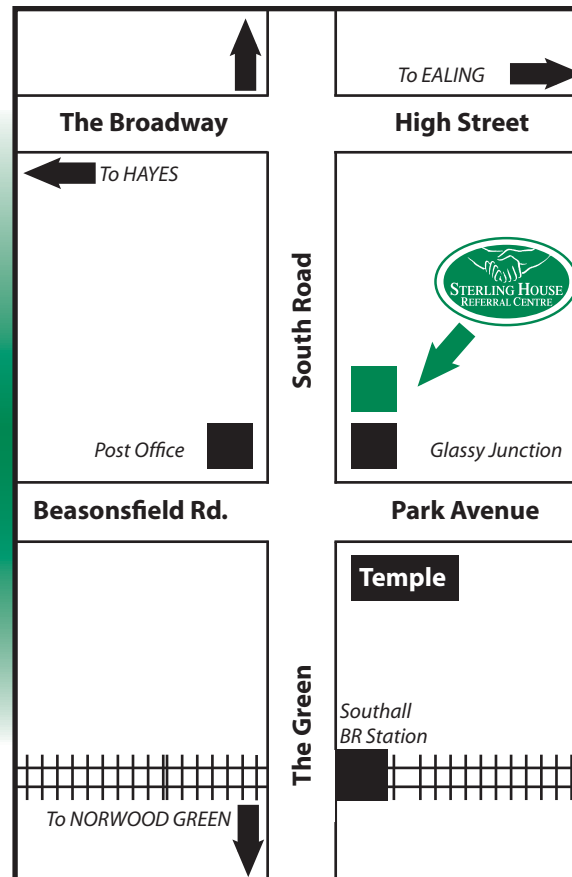

- S**etting high standards and reaching them
- M**onitoring closely all of our operation for the benefit of our patient
- I**mplementing ongoing training for staff and improve our facilities
- L**istening carefully to all your comments and suggestions
- E**mploying competent qualified and caring staff

Final Phase of the Guaranteed Contract

by
Ruby Austin MBE

Ruby qualified in 1960 and subsequently enjoyed working in general practice and the hospital service. He also spent twenty years working as an Industrial and later Inspecting Dentist for Marks and Spencer.

Since 1996, Ruby has been a Vocational Training Adviser and Course Organiser for the London Postgraduate Medical and Dental Deanery, advising the Dean on matters regarding vocational training and continuing professional development of practitioners within London.

He is currently Vice Chairman for the Dental Practice Board, a member of the General Dental Practitioner Committee and Local Dental Committee, Examiner on the National Examining Board for Dental Nurses, Advisor on the Local Assessment Panel & Central Assessment Panel for Audit and Peer Review, Tutor to London Postgraduate Dental Study Group, Arbitrator for Dentists' Provident Society, and Dental Advisor on the Southwark & Lewisham PCT Performance Review Panel.

In brief, his previous involvements include being Vice Dean of the Faculty of General Dental Practitioners, Treasurer for the British Dental Association (Bromley and Beckenham), President of the British Society for General Dental Surgery, President of the Anglo Asian Odontological Group, Core Examiner for the DGDP Exam, Examiner for the MFGDP(UK) Exam, Advisor on the NHS Oral Hearing Appeals Panel, NHS Tribunal as well as the Oral Health Unit of Primary Care R&D Centre.

In 2000, Her Majesty The Queen awarded Ruby with the MBE for his services to dentistry. Ruby is also a lecturer, author and reviewer with a special interest in Golf.
